

This detailed map of the Prácheňsko region shows the Vltava river flowing through the center. Key towns and locations include Prácheň, Zlatníky, Písek, and Mladá Boleslav. The map displays various administrative boundaries, including the Prácheňsko District, and highlights specific areas like the Prácheňsko Protected Landscape Area. It also shows the locations of several power stations and substations, including the 110kV and 603kV lines. The map is color-coded to show different types of land use and administrative divisions.
